MOTION FOR CONTINUANCE OF PRETRIAL CONFERENCE

Defendant, LA Weight Loss, moves for a continuance of the pretrial conference currently scheduled for January 11, 2008. In support of this Motion, Defendant states:

1. On November 21, 2007, lead counsel for Defendant moved to withdraw its appearance in this matter.
2. This case has involved extensive discovery, including extensive depositions and numerous experts. Those matters were handled by Defendant's lead counsel. Defendant needs additional time to replace lead counsel and for lead counsel to become sufficiently familiar with the case to prepare Defendant's portion of the pretrial order.
3. The undersigned has served as local counsel, but does not have copies of the discovery materials or sufficient knowledge of such materials to adequately represent Defendant in connection with the pretrial order.
4. Defendant has reviewed this Motion with the EEOC, which has authorized the undersigned to state that it does not oppose either (1) Defendant's request for a status conference at the Court's earliest convenience or (2) a limited continuance of the pre-trial

conference and associated pre-trial order due dates for the purpose of holding a status conference.

Respectfully submitted,

/s/
